APPENDIX

MEMORIAL TO REV. WILLIAM CROWE, JR., D.D.

Rev. William Crowe, Jr., was a child of the Church. His father, Rev. William Crowe, Sr., was a Presbyterian minister, and served as Moderator of the General Assembly in 1932. Two of his three surviving brothers are also distinguished ministers of the Presbyterian Church in the United States.

Dr. Crowe was born in Frankfort, Kentucky, November 1, 1899. He was graduated from Southwestern Presbyterian University, then located at Clarksville, Tennessee, in 1921, and received the degree of Bachelor of Divinity from Union Theological Seminary in Virginia in 1924. Subsequently, he did graduate work at Xenia Theological Seminary. Southwestern at Memphis conferred a Doctor of Divinity degree upon him in 1938.

His first wife was Catherine Graeber of Yazoo City, Mississippi, whom he married in 1927. Their three daughters survive. Mrs. Crowe died during his pastorate in Wilmington, N. C., and Dr. Crowe later married Mrs. Almeda Stewart Edwards of Wilmington, who survives him. Dr. Crowe was licensed to preach and ordained to the ministry by Lafayette Presbytery, Missouri, in 1924. He served churches in Lamar, Missouri, 1924-25, Tuscumbia, Alabama, 1926-29, Talladega, Alabama, 1929-37, the First Presbyterian Church of Bluefield, West Virginia, 1937-42, the First Presbyterian Church of Wilmington, N. C., 1942-54, and the Roswell, Georgia, Church until his retirement in 1964.

After his retirement, Dr. Crowe and Mrs. Crowe returned to Wilmington and restored a distinguished old house at 120 South Third Street. Here he continued to write, preach, and engage in scholarly and artistic labors until his death on January 1, 1969.

Bill Crowe was a man of many gifts and graces. A loyal and steadfast friend, a wise and sympathetic counsellor; a faithful presbyter, a lover of goodness and beauty skilled in mind and hand and eye, an eloquent preacher of the Gospel, a sound and perceptive theologian, and a man of wide interests and profound scholarship, he embodied the virtues of the true apostle. In his mind and character faith and culture were happily wedded. His home-going leaves a void on earth, but ornaments heaven.

Bunyan writes of the death of Christian: "He passed over the river, and all the trumpets sounded on the other side." Surely, in the somber silence of our loss, we can hear the distant fanfare that welcomes him we long have loved to the Celestial City. By B. F. Hall

MEMORIAL TO REV. FREDERICK W. LEWIS, D.D.

July 26, 1873 - August 5, 1968

Dr. Frederick W. Lewis passed on to his eternal reward on August 5, 1968, in St. Petersburg, Florida. He had just attained his 95th birthday. He had been a member of the Advisory Board of The American Tract Society, was an honorary member of the New York Bible Society, and also was a life member of the Sons of The American Revolution. He served as president of the Brooklyn Bible Society and of the Presbyterian College Presidents' Union.

EXAMINATION OF CANDIDATE EDGAR T. STEWARD

The Candidates Committee reported that candidate Edgar T. Steward, Cmdr., U.S.N., filed application dated February 22, 1969; that the Session of Jacksonville, First Church furnished Presbytery with a certificate of his membership and with testimonials of its judgment regarding his Christian character and promise of usefulness in the ministry; and that Mr. Steward had been a member of that congregation for the six months preceding the filing of his application to the Presbytery; that the Committee had inquired diligently into the Christian character and the physical, mental, and spiritual qualifications of the applicant, and having reported upon all points bearing upon his promise of usefulness to the ministry, recommended that candidate Edgar T. Steward be received under care of Presbytery.

The Moderator examined Mr. Steward before the Presbytery as to his experience of Christian grace and his motives for seeking the ministry of the Word, and propounded the constitutional questions which the applicant answered in the affirmative.

The Rev. Chalmers McCutchen gave the candidate a charge. The Moderator declared Mr. Steward a Candidate for the Ministry of the Word and directed that his name be recorded on the Presbytery's Roll of Candidates for the Ministry.

PROPOSED AMENDMENTS TO THE CONSTITUTION OF THE PRESBYTERIAN CHURCH IN THE UNITED STATES

approved by the General Assembly of 1968 and sent down
to the Presbyteries for advice and consent

1. That Chapter 8 of the **Form of Government** be amended by adding thereto a new Section 8-18 as follows:

"If a church is dissolved by the Presbytery, or otherwise ceases to exist, and on the rolls of such church, members remain who have no arrangements to transfer their membership to some other church, the Presbytery shall have power to transfer such members to another church within its bounds whose Session agrees to receive them."

2. That present Chapter 22 of the **Form of Government** be replaced by the following:

"Chapter 22

Synod and General Assembly Committees
on the Minister and His Work

§ 22-1 To facilitate the work of the Commissions in the Presbyteries, a Synod may establish a Committee on the Minister and His Work.

MINUTES OF WILMINGTON PRESBYTERY

§ 22-2 To assist the Commissions in the Presbyteries, their churches and Ministers, in the entire area of ministerial relationships, the General Assembly shall have a permanent Committee to be known as the Assembly's Committee on the Minister and His Work."

3. That Section 25-3(b) of the **Form of Government** be replaced by the following:

"An Assistant Pastor is called by the vote of the Church Session, but only after the Session has consulted the Presbytery through its Commission on the Minister and His Work. The terms of the call as extended by the Church Session shall follow the form outlined for the calling of a Pastor, and shall specify the particular functions which the Assistant Pastor is to fulfill in the life of that church. This relation, an agreement between the Church Session and the Assistant Pastor, is established by installation, an act of Presbytery, and is dissolved only by the authority of Presbytery. The Presbytery, acting through its Commission on the Minister and His Work, may dissolve the relationship upon the initiative of either the Church Session or the Assistant Pastor. Not being a Church officer elected by the congregation, the Assistant Pastor is not a member of the Session of that Church, but should be invited by the Session to be present at its meetings.

The official relationship of an Assistant Pastor to a church shall be reviewed by the Session when the relationship of the Pastor to that Church is dissolved. An Assistant Pastor is not eligible to succeed the Pastor in a church which they serve together nor may he be called to be Associate Pastor in that church while the church is without a Pastor."

4. That Section 26-1 be amended as follows:

"Add to the second paragraph the following words, to constitute the second sentence of such paragraph: 'Rather than elect a Nominating Committee representative of the whole congregation, the congregation may designate the Church Session as the Nominating Committee.' The next sentence would then follow as it now reads, 'Public notice of the time, etc. . . . prior to the time of the meeting.'"

5. *That present Chapter 31 of the **Form of Government** be replaced by the following:

CHAPTER 31 Of Union Churches

§ 31-1 Particular churches of this Church may unite to form union churches with one or more particular churches of the United Presbyterian Church in the United States of America, of the Reformed Church in America, and of other Reformed bodies, with the approval of the Presbytery.

§ 31-2 The following plan of Union shall be adopted by the union church so formed:

(1) The following Plan of Union is adopted by the _____ Presbyterian Church of _____ and the _____ Church of _____ effective as of the date when each of the congregations has approved the plan by a two-thirds majority of those present at a regularly called congregational meeting with such notice and quorum as is required by the constitution of each Church, and when the presbytery (classis) of jurisdiction of each church has approved the particular union and this Plan of Union.

*See also action the Assembly directed be sent to Presbyteries with this proposed amendment.

(2) The purpose of this union is to provide for the worship of Almighty God and instruction in the Christian religion by a united congregation which will share the property, real and personal, of the uniting churches and provide for the services of a minister or ministers for the united church.

(3) The united church shall be known as the _____ Church of _____.

(4) The united church shall be subject to the constitution of each Church involved as set forth in subsections (18), (19), (21) and (22).

(5) The session (consistory) shall submit its records annually, and whenever requested, to each judicatory of jurisdiction.

(6) The membership of the united church shall consist of those who were members of the uniting churches, plus those received by the session (consistory) of the united church.

(7) The session (consistory) of the united church shall report an equal share of the total membership to each judicatory of jurisdiction, and such membership shall be published in the Minutes (Acts and Proceedings) of the general assembly, with a note to the effect that the report is that of a union church, and with an indication of the total actual membership. A similar report of church school members, baptisms, etc., and financial expenditures shall be made by the session (consistory) and noted by each general assembly in its minutes.

(8) Initially the officers of the united church, elders and deacons, shall be those officers in active service of the uniting churches, who will undertake to perform their ordination responsibilities under the constitution of each church, as indicated in subsections (4) above and (18), (19), (21) and (22) below.

(9) At the first annual meeting subsequent to the effective date of the union, new classes of officers, to replace the officers noted in section (8) above, shall be elected by the united congregation according to the constitutional procedure in force as a consequence of section (22) below.

(10) The pastoral relations of the ministers of the uniting churches shall be dissolved automatically by the action of the presbytery (classis) of jurisdiction in approving this plan, but they may be eligible to be ministers (pastors or associate pastors) of the united church according to the will of the united congregation and subject to the approval of the presbyteries (both the classis and the presbytery).

(11) The minister or ministers of the united church shall be full and responsible members of each judicatory of immediate jurisdiction and shall be subject to discipline as provided below in paragraph (19).

(12) The united church shall cause a corporation to be formed under the appropriate laws of the state, where permissible. That corporation shall include in its articles or charter the substance of subsections (2), (3) and (4) above.

(13) All property of the uniting churches, real and personal, shall be transferred to the corporation formed in subsection (12) above. The new corporation shall be the legal successor of the corporations, if any, of the uniting churches, and it shall be bound to administer any trust property or moneys received in accordance with the provisions of the original establishment of the trust. All liabilities of the uniting churches shall be liabilities of the united church. In any state where a church corporation is forbidden, the purposes of this paragraph shall be achieved in harmony with the law of that state.

(14) Trustees of the corporation (or the unincorporated body) shall be elected in harmony with civil law according to the constitutional provisions outlined in subsection (4) above, as interpreted by subsection (22) below.

MINUTES OF WILMINGTON PRESBYTERY

(15) While recognizing the basic right of any giver to designate the cause or causes to which his own gift shall go, the session (consistory) of the united church shall annually propose to the congregation a general mission or benevolence program which shall be divided equitably among the officially approved causes of each denomination. The proportions shall be as the session (consistory) shall decide in response to the requests of the higher judicatories.

(16) Per capita apportionments or assessments shall be paid to each presbytery (classis) of jurisdiction on the basis of the total communicant membership of the union church, equally divided among the denominations involved.

(17) All members of the united church shall be under the discipline of the session (board of elders) according to rules agreed upon in harmony with the constitution of each denomination where they coincide, and in harmony with the mandatory provisions of the constitution of one denomination where the others are permissive, and at the choice of the session (board of elders) where they may be contradictory.

(18) Appeals or complaints against the actions of the session (consistory) shall be made to one judicatory only (presbytery or classis) at the choice of the members and all subsequent appeals or complaints shall be in the courts of the members' original choice, and decisions so finally made shall be binding on the session (consistory) and on the member.

(19) The minister or ministers shall be subject to the discipline of the presbyteries (the presbytery and the classis) provided that when either shall begin an action, it shall invite a committee from the others to join the commissioner, prosecutor, or prosecuting committee in formulating and pressing the charges. In the event of appeal the case shall be finally decided by the highest court to which the appeal is taken in the Church which commenced the action, and that decision shall be equally binding on the presbyteries (both the presbytery and the classis).

(20) The minister or ministers shall participate in the denominational Pension Plan of one of the Churches. If he is already participating in one plan, he shall remain in that plan. If he is not a member of any, he shall choose among them.

(21) Complaints against the administrative acts of the session (consistory) may be taken under the constitutional provisions of only one denomination, according to the choice of the complainant, and once being complained to one judicatory, no other denomination shall accept jurisdiction in the same matter.

(22) Wherever the constitutions of the denominations differ, the mandatory provisions of one shall apply in all cases when the others are permissive. Wherever there are conflicting mandatory provisions (except as provided in subsection (17) above), the session (consistory) of the united church shall petition the judicatories of immediate jurisdiction to overture their respective highest courts to resolve the conflict either by authoritative interpretation or by constitutional amendment.

(23) A union church may be dissolved by a two-thirds vote of two congregational meetings, held not less than one year and not more than two years apart, subject to the concurrence of the presbyteries (classes) involved. In case of dissolution of a union church, all property of the united church, real and personal, shall be divided equally between the presbyteries (the presbytery and the classis) of jurisdiction.

§ 31-3. No provision in this chapter shall be construed as modifying or amending the constitution of this Church in its application to any

but union churches organized under this chapter, their members, officers, or ministers.

6. *That a new Chapter 32 be added to the Form of Government as follows:

CHAPTER 32
Of Union Presbyteries (Classes)

§ 31-2. A presbytery of this Church may unite with a presbytery or classis of the United Presbyterian Church in the United States of America, the Reformed Church in America, or another Reformed body, to form a union presbytery (classis), with the approval of the synod of jurisdiction of which the presbytery (classis) is a part. A union presbytery (classis) may be composed of two or more presbyteries (classes) from two or more Reformed bodies.

§ 32-2. The following plan of union shall be adopted to each presbytery (classis) involved:

(1) This plan of union is adopted by the Presbytery of _____ and the Presbytery (classis) of _____ effective as of _____ (date), the presbyteries (presbytery and classis) having each approved the plan by a two-thirds majority of those present at a stated meeting of the presbytery (classis), the matter having been published beforehand on its docket and the union and this plan having been approved by the synod of jurisdiction over each presbytery.

(2) The purpose of the union shall be the furtherance of a united witness and mission, the administration of a single program of nurture, sustenance and growth of the Church within the union presbytery (classis), and the oversight of all churches within its bounds by a union presbytery (classis), which will hold title to the properties of the uniting judicatories and provide the functions and fulfill the duties of a presbytery (classis), as specified in the constitution of each Church.

(3) The union presbytery (classis) shall be subject to the constitution of each denomination as set forth below:

- (a) The presbytery (classis) shall submit its records annually, and whenever requested, to each synod of jurisdiction.
- (b) The presbytery (classis) shall be fully and equally responsible to each church. The presbytery (classis) shall adjust its benevolence or general mission askings of the particular churches annually, to the end that the presbytery (classis) shall equitably support the program of each denomination.
- (c) Per capita apportionments or assessments shall be paid to each synod and general assembly of jurisdiction on the basis of the communicant strength of the union presbytery (classis), equally divided among the denominations involved. In the event that such a procedure proves inequitable, an alternative basis may be adopted, subject to approval by the synod of jurisdiction of each denomination. Such an alternative, if adopted, shall be subject to periodic review.
- (d) The union presbytery (classis) shall be under the discipline of the synods and general assemblies, according to standing rules agreed upon in harmony with the constitutions of the denominations where they coincide, and in harmony with the mandatory provisions of the laws of each Church where the others are permissive, and at the choice of the presbytery (classis) where they may be contradictory.
- (e) Appeals or complaints against the actions of the presbytery (classis) shall be made only to the synod of one denomination.

*See also action the Assembly directed be sent to Presbyteries with this proposed amendment.

MINUTES OF WILMINGTON PRESBYTERY

That denomination shall be determined by the presbytery (classis), and all subsequent appeals or complaints in the same action shall be in the courts of the original determination, and decisions so reached shall be binding on all the parties to such action.

(f) Complaints against administrative acts of the presbytery (classis) may be taken under the constitutional provisions of only one denomination, according to the determination of the presbytery (classis); and, once being complained to one court, courts of the other denominations may not accept jurisdiction in the same matter.

(g) Wherever the constitutions of the denominations differ, any mandatory provisions of one shall apply in all cases where the others are permissive. Where there are conflicting mandatory provisions (except as provided in subsection (3) (d) above), the union presbytery (classis) shall overture the general assemblies of the denominations involved to resolve the conflict either by authoritative interpretation or by constitutional amendment.

(4) The membership of the union presbytery (classis) shall consist of all minister members of each uniting presbytery (presbytery and classis), and all the churches (elder representatives thereof) of the uniting presbyteries (presbytery and classis), plus all others received by the union presbytery (classis), subsequent to the effective date of this union. When the constitutions of the churches vary as to elder representation, that provision which confers the largest representation shall apply.

(5) The churches of a union presbytery (classis) shall be considered union churches belonging to each denomination. Each particular church shall be reported to each general assembly and synod of jurisdiction on the basis of an equal division of its total membership, with a notation to the effect that this has been done.

(6) Ministers of the union presbytery (classis) shall be full and responsible members of each denomination. They shall be subject to the jurisdiction and discipline of the denominations as provided in this plan. Ministers and elders shall be eligible to serve as commissioners (delegates) to any general assembly, as provided in the constitutions of each denomination. Commissioners (delegates) to general assembly shall be elected on the basis of an equal division of the total communicant membership of the presbytery (classis).

(7) The union presbytery (classis) shall be responsible to propose to all its churches a general mission and benevolence program which it judges to be an adequate and equitable response to the requests of the assemblies, the synods, and to its own needs. Each session (consistory) shall give the members of its congregation opportunity to support this general mission and benevolence program.

(8) The union presbytery (classis) shall cause a corporation to be formed under the appropriate laws of the state. This corporation shall include in its articles or charter the substance of subsections (1), (2), and (3) above. All property of the uniting presbyteries (presbytery and classis), real and personal, shall be transferred to the corporation or corporations formed under this section. The new corporation shall be bound to administer any trust property or monies received in accordance with the provisions of the original establishment of the trust. All liabilities of each uniting presbytery (classis) shall be liabilities of the union presbytery (classis). In any state where a church corporation is forbidden, the purpose of this paragraph shall be achieved in harmony with the laws of that state.

(9) The union presbytery (classis) shall draw up standing rules which shall define the operation of presbytery (classis) in such a

MINUTES OF WILMINGTON PRESBYTERY

manner as to fulfill all the functions of a presbytery (classis), as defined in the constitution of each denomination.

(10) Each minister who may be subject to the call of presbytery (classis) or any of its constituent churches in the exercise of his vocation, or who may be an employee of presbytery (classis), shall participate in the denominational pension plan of one of the churches. If the minister is already participating in one plan, he shall remain in that plan. If he is not a member of any, he shall choose among them.

(11) A union presbytery (classis) may be dissolved by a two-thirds vote at two stated meetings of presbytery (classis), not less than one year and not more than two years apart, subject to the concurrence of the synods involved.

(a) In case of dissolution of a union presbytery (classis), all the property, real and personal, of the union presbytery (classis) shall be divided between the denominations or their courts of jurisdiction on the basis of the origin of the property, if such is determinable. If the origin is not determinable, then the property shall be divided equally between the denominations or their courts of jurisdiction, as may be proper.

(b) The particular churches within the dissolved union presbytery (classis) shall retain their status as union churches, unless they vote to change that status under the provisions of § 31-2 (23).

§ 32-3. No provision in this plan of union shall be construed as modifying or amending the constitution of this Church in its application to any but union presbyteries (classes) organized under this chapter, their churches, or ministers.

7. *That a new Chapter 33 be added to the **Form of Government** as follows:

CHAPTER 33

Of Union Synods

§ 33-1. A synod of this Church may unite to form a union synod with a synod of the United Presbyterian Church in the United States of America, a synod of the Reformed Church in America, or an analogous judicatory of another Reformed body, with the approval of each general assembly.

§ 33-2. The following Plan of Union shall be adopted by each synod involved:

(1) This plan of union is adopted by the Synod of _____ and the Synod (Particular Synod) of _____, effective as of _____ (date), when each of the synods has approved the plan by a two-thirds majority of those present at a stated meeting, the matter having been published beforehand on its docket, or at a meeting specifically called for such a purpose; and when the particular plan has been approved by each general assembly.

(2) The purpose of the union shall be the furtherance of a united witness and mission for all churches and presbyteries (classes) within the union synod; the administration of a single program of nurture and service; and the responsible fulfillment of the functions and duties of a synod as specified in the constitutions of each Church.

(3) The union synod shall be subject to the constitutions of each denomination as set forth below:

(a) The synod shall submit its records at least annually, and whenever requested, to each general assembly.

(b) The union synod shall be under the discipline of each Church according to standing rules agreed upon in harmony with the

constitution of each denomination where they coincide; and in harmony with the mandatory provisions of the laws of one Church where the others are permissive; and at the choice of the synod where they are contradictory.

- (c) Wherever the constitutions of the denomination differ, the mandatory provisions of the one shall apply in all cases where the others are permissive. Wherever there are conflicting mandatory provisions (except as provided in subsection (3) (b) above), the union synod shall overture the general assemblies of the denominations to resolve the conflict, either by authoritative interpretation or by constitutional amendment.
- (d) Complaints against the actions of the synod shall be made to one general assembly only, at the choice of the synod, and its decision shall be binding on all parties to such action.
- (4) The membership of the union synod shall consist of all ministers and churches of all the presbyteries (classes) within the area encompassed by the uniting synods. The union synod may decide to organize itself as a delegated synod under the general provision of subsection (3) (c) above.
- (5) By this act of uniting synods of the United Presbyterian Church in the United States of America, the Presbyterian Church in the United States, the Reformed Church in America, or other Reformed bodies, all presbyteries (classes) within the jurisdiction of the uniting synods shall become union presbyteries (classes), and shall be governed according to the applicable provisions of this constitution.
- (6) The union synod shall cause a corporation to be formed under the appropriate laws of the state. That corporation shall include in its articles of charter the substance of subsections (1), (2), and (3) above. All property of the uniting synods, real and personal, shall be transferred to the corporation formed under this section. The new corporation shall be the legal successor of the corporations, if any, of the uniting synods, and it shall be bound to administer any trust property or moneys received in accordance with the provisions of the original establishment of the trust. All liabilities of each uniting synod shall be liabilities of the union synod. In any state where a church corporation is forbidden, the purpose of this paragraph shall be achieved in harmony with the laws of that state.
- (7) The union synod shall adopt standing rules which shall define the operation of the union synod in such manner as to fulfill the functions of synods as defined in the constitution of each denomination.
- (8) Each minister in a union synod staff position shall be, or become, a member of a presbytery (classis) within the union synod.
- (9) A union synod may be dissolved by a two-thirds vote at two stated meetings of the synod, not less than one year nor more than two years apart, subject to the concurrence of the general assemblies involved.
- (10) In case of dissolution of a union synod, all property, real and personal, of the union synod shall be divided between the denominations or their courts of jurisdiction on the basis of the origin of the property, if the origin is determinable. If the origin is not determinable, then the property shall be divided equally between the denominations of their courts of jurisdiction, as may be proper.

§ 33-3. No provision in this plan of union shall be construed as modifying or amending the constitution of this Church in its application to any but union synods organized under this chapter.

(Note: The following action of the General Assembly accompanies the proposed amendments to Chapters 31, 32, and 33 of the Form of Government.)

MINUTES OF WILMINGTON PRESBYTERY

"The Assembly directed that the counsel of the Permanent Judicial Commission concerning union churches, Presbyteries, and Synods be sent down to the Presbyteries with the recommendations concerning these items for their consideration.

"This item is as follows:

"The Commission received a copy of the proposed amendments to our Book of Church Order relating to union Presbyteries, Synods and churches which was prepared by the committees from the RCA, UPUSA, and PCUS.

"The Commission recommends that the references by our representatives of this committee be answered with the following statement:

"The language of the intended amendments appears sufficient to accomplish their intended purposes.

"The Commission points out that the proposed drafts would entail a complete change from our present power vested in the highest court to power being given to Presbyteries and Synods in regard to union Presbyteries, union churches and union Synods. (BCO 18-6(13) and (17).)"

REPORT OF THE CHURCH EXTENSION COMMITTEE

March 29, 1969

Your Committee wishes to bring you the following information:

1. Work on the Windemere Church has begun and is making good progress. The footings have been poured and the new church will take shape rapidly.
2. The new site for the Myrtle Grove Church has been selected and the property is available. \$8,000 has been received from the Board of National Ministries for the development of this work.
3. Mr. Carlyle Blomme has been appointed Advisor-Counsellor to be used by any church wishing to build, remodel, purchase property, or in any way improve property beyond normal maintenance.
4. Negotiations are in progress to receive two lots as a gift from the National Development Corporation. These lots are located at Long Beach and must be used as a site for the construction of a Presbyterian Church. The deed for these lots should be received in the near future.
5. Dr. Ben F. Rose plans to spend his Sabbatical year of leave from Union Seminary working in Wilmington Presbytery. He will serve the Lake Waccamaw church and oversee the work of four Seminary intern students in the following fields: White Plains, Southport and New Hope, Topsail, and Woodburn. Dr. Rose and the various students expect to arrive on the various fields in June.

We recommend—

1. That the Rockfish and Potts Memorial field be allowed to split and that the Potts Memorial Church be given permission to call a stated supply minister.

Respectfully submitted,

J. G. MORRISON, Chairman

REPORT OF COMMITTEE ON ANNUITIES AND RELIEF

March 29, 1969

Dr. George Vick, Executive Secretary of the Board of Annuities and Relief reported in February that participants in the Annuity Fund will again benefit from "good experience credits" in annuity payments. Benefits for the Ministers' Annuity Fund will be increased by 15% in payments for persons already receiving annuities as well as for those still active in service. This is the 5th increase since 1964. The Board's action must be endorsed by the General Assembly in April.

The Permanent Committee on Annuities and Relief met on March 13 in Synod's office. The Committee dispenses the funds which are derived from the Kate B. Reynolds Trust for retired Presbyterian Ministers in the Synod. A total of \$46,409.36 was distributed. In the March, 1969 distribution 105 annuitants received the amount of \$441.99. This is the largest distribution at one time since the fund was established. Eleven annuitants from Wilmington Presbytery were eligible for this distribution: Rev. J. Fitzhugh Clark, Rev. P. L. Clark, Estate of William Crowe, Jr., Rev. N. P. Farrior, Rev. Norman H. Flowers, Rev. W. F. F. Little, Rev. C. H. McLean, Rev. J. W. Miller, Rev. L. A. Taylor, Rev. David L. Williamson, Rev. Charles W. Worth.

Income from the Fund, the corpus of which is valued at \$1,759,000 is distributed every March 23 and September 23.

In 1968 Wilmington Presbytery, as well as the Presbyteries of Granville, Orange, and Winston-Salem sent the following overture to request Synod: "To establish a foundation facility with a full-time director for the Synod of North Carolina for the specific purpose of soliciting and encouraging gifts, bequests, grants and other sources of revenue to be made to the Synod of North Carolina for its agencies, institutions, and benevolence causes" (Minutes 155th Synod of N. C., p. 164).

Action was deferred until this next Synod meeting June 3-4 in Fayetteville, pending the results of the Study being conducted by Synod's Committee on Bequests and Deferred Gifts to determine the need of such a facility.

The General Secretary of the Permanent Committee of Annuities and Relief reported on the study being made as to the feasibility of establishing a Synod Foundation. From the Study it is evident that such a facility is needed. The Synod has lost available gifts to Universities and other foundations because there was not a facility to tap the sources of these funds and to adequately administer them. Synod's Benevolence Causes could have used these funds, and with such a facility complementary funds (like the Reynolds Trust) could be set up to provide additional annuities for retired ministers of the Synod and widows of ministers who have served in the Synod.

Your Committee Recommends: That the Presbytery of Wilmington convey to the Permanent Committee on Bequests and Deferred Gifts its continuing support and interest in the establishment of a foundation facility within the Synod of North Carolina.

Respectfully submitted,

C. ROBERT WINES, Chairman

REPORT OF SESSIONAL RECORDS COMMITTEE

Of the 78 churches in the Presbytery, 61 presented their Sessional Records for examination at the meeting of Presbytery on January 31, 1969.

- I. Of the 61 Sessional Records examined, the following were approved "without exception" (numbering 31): Antioch, Baker, Bethany, Bethel, Beulaville, Cape Carteret, Chadbourne, Currie, Elizabethtown, Faison, Graves Memorial, Hallsville, Harper-Southerland, Holly Grove, Hopewell, Jacksonville First, Maple Hill, McClure Memorial, Mount Olive, Oak Plain, Pineland, St. Andrews-Covenant, Stanford, Tabor City, Wallace, White Plains, Whiteville First, Wildwood, Willard, Winter Park, and Westminster, Wilmington.
- II. The following (numbering 30) were approved "with exception": Beth Car, Black River, Bladenboro, Burgaw, Calypso, Cape Fear, Carolina Beach, Caswell, Chingapin, Clarkton, Grove, Harmony, Hebron, Mount Horeb, Mount Zion, Myrtle Grove, New Hope, Oakdale, Oak Grove, Pearsall Memorial, Pink Hill, Pleasant View, Pollocksville, Potts Memorial, Smith's, Stafford Memorial, Teachey, Topsail, Trinity, and Wilmington First.
- III. The 17 churches which did not present their Sessional Records for examination are as follows: Acme, Bowden, Brunswick, Little Chapel on the Boardwalk, Croatan, Delgado, Lake Waccamaw, Morehead City, Pike-Rocky Point, Rockfish, Salem, Shallotte, Southport, Warsaw, Westminster, Whiteville, Woodburn, and "Windemere."

The Committee commends the 53 churches for their efforts in getting their records to the Presbytery at the time set for their examination. Recognizing, however, the difficulty encountered by many in finding the time to get everything done that has to be done at the end of the year (statistical reports, etc.) and the other difficulty encountered by the Sessional Records Committee in getting the Records examined at the first meeting of the year, we recommend that the Manual of Presbytery be changed so that the Sessional Records of half the churches be examined at the second meeting of the year of Presbytery, and that the Records of the other half of the churches be examined at the third meeting of the Presbytery during the year.

NOTE: The Records of the Acme and Rockfish Churches were presented at the March 29, 1969 meeting of Presbytery and approved "with exceptions noted."

Respectfully submitted,

EXAMINATION OF CANDIDATE WILLIAM H. FAIRES, JR.

(According to B.C.O. Paragraph 24-4)

The Candidates Committee reported that candidate William H. Faires, Jr. filed application dated prior to March 30, 1969; that the Session of Jacksonville, First Church furnished Presbytery with a certificate of his membership and with testimonials of its judgment regarding his Christian character and promise of usefulness in the ministry; and that Mr. Faires had been a member of that congregation for the six months preceding the filing of his application to the Presbytery; that the Committee had inquired diligently into the Christian character and the physical, mental, and spiritual qualifications of the applicant, and having reported upon all points bearing upon his promise of usefulness to the ministry, recommended that candidate William H. Faires, Jr. be received under care of Presbytery.

The Moderator examined Mr. Faires before the Presbytery as to his experience of Christian grace and his motives for seeking the ministry of the Word, and propounded the constitutional questions which the applicant answered in the affirmative.

The Moderator requested his pastor, Rev. Chalmers McCutchen to give the candidate a charge. The Moderator declared Mr. Faires a Candidate for the Ministry of the Word and directed that his name be recorded on the Presbytery's Roll of Candidates for the Ministry. The benediction was voiced by his former pastor, Rev. J. Don Skinner.

REPORT OF PRESBYTERY COUNCIL

May 29, 1969

The Stewardship Committee submits the following report and recommendations to Council:

Your Committee received reports from the General Council at the Annual Area Stewardship Conference, Charlotte, N. C., (attended by the Chairman, Mr. Herman E. Blizzard, Rev. William H. Todd, Jr., Mr. Henry Johnson, and Rev. James B. Tubbs), noting that \$1,486,690 is apportioned to Synod of N. C. for 1970; recommending that since realistic apportionments are frequently reduced by Synods before being apportioned to Presbyteries, and by Presbyteries before being apportioned to local congregations, and since Synods and Presbyteries continue to budget larger percents of growth at these levels than for the General Assembly level, that the General Assembly base 1970 apportionments on 2-year average gifts by local congregations, plus a normal growth percentage, and that these apportionments be sent direct to the congregations in an effort to inform all churches of minimum basic askings for Assembly causes. (Apportionments will also go to Synods as usual.) Churches showing no gifts to budgeted benevolences will be apportioned non-budgeted askings based on other gifts, and no church will be apportioned an asking less than the gifts of last recorded year; and, recommending that the following program for Capital Funds Campaigns in the 1970's be: 1970-74—Presbytery and Synod Campaigns; 1975-79—Assembly Campaigns. It was reported that \$11,966,090 of Presbyterian Development Fund have been received to date.

The Conference included a panel of five Assembly Executive Secretaries and an address by Dr. Charlie W. Shedd introducing a program on tithing to be known as "Faith . . . The Big Step."

Statistics: Wilmington Presbytery gave \$107.88 per capita total giving in 1968 (an increase of \$8.01 over 1967); 28 churches gave less than 10% of total gifts to budgeted benevolences; 1969 pledges total \$171,154 (vs. askings of \$220,770).

Recommendations:

1. That the Stewardship Committee be instructed to devise and implement a thorough E.C.C. for 1969; that ministers be requested to serve Presbytery by making two E.C.C. visits on behalf of Presbytery's program; that all Sessions be requested to prepare for and receive these Presbytery visitors, between September 15 and October 15.
2. That the Stewardship sub-committee on E.M.C. Directors' Workshops be instructed to conduct a workshop September 7, and that all churches be urged to appoint Canvass Directors by June 1.

5. That the stewardship Emphasis Season in 1969 be confirmed as October 12-November 16 and November 9 designated as Dedication Sunday for the Every-Member Canvass.

6. That the 1969 Every-Member Canvass theme be "Reconciliation Is Our Business—Back It;" and that churches be urged to make full use of theme materials as well as the year-round stewardship educational materials available from the General Council.

7. That local sessions in 1969 or early 1970 give serious consideration to leading their people into deeper spiritual commitment by undertaking a Thirteen Weeks' Tithing Program, utilizing "Faith—The Big Step" materials prepared by the General Council and sampled in the regular Stewardship Packet.

8. That churches not having done so in 1969 be urged to take advantage of a second and final chance to participate in the "All One Body" filmstrip in which local church people and activities may be portrayed, along with their particular presbytery, synod, and General Assembly programs, to show the wholeness of Christ's mission through the Church.

9. It is further recommended that all churches be informed of, and encouraged to consider, supplemental offerings for all requesting agencies of General Assembly, Synod, and Presbytery.

Respectfully submitted,

ELGIN LANGSTON, Chairman

Wilmington Presbytery
Wilmington, North Carolina

We have examined the accompanying Statements of Receipts and Disbursements for certain funds of Wilmington Presbytery of the Presbyterian Church in the United States for the year ended December 31, 1968. The funds covered by our examination are listed below:

Benevolences Fund
Camp and Conference Center Debt Retirement Fund
Camp and Conference Center Management Fund
Christian Education Fund
Church and Manse Assistance Fellowship Fund
Church Extension Fund
Contingent Fund
Higher Education and Candidates Fund
Office Fund

In accordance with our agreement the scope of our examination was limited. It included certain standard auditing procedures, omitting others, as described under the caption "Scope of Examination" in the accompanying Comments. The procedures followed were adopted to assure the Committee that Presbytery's books were meeting certain prescribed standards, however they did not include all tests of the records which we deemed necessary to meet generally accepted auditing standards.

In view of this fact, we are not in a position to express our opinion as to the fairness with which the accompanying Statements of Receipts and Disbursements reflect the transactions of the various funds of Presbytery for the year.

SCOPE OF EXAMINATION

Our examination included, among other procedures, the reconciliation of the year-end bank balances of the funds to the balances shown on the books, verification of savings account balances, tracing certain unusual receipts into the bank accounts and books and certain unusual disbursements to invoices and vouchers and the books, comparison of individual amounts on duplicate deposit slips of the Camp Debt Retirement Fund with a list of balances due by churches on pledges, reconciliation of total receipts of the Contingent Fund with the amount due according to the total membership of Presbytery, and comparison of total receipts of the Church and Manse Assistance Fellowship Fund with total receipts per entries on donors' pledge book. We traced individual receipts of the Camp Management Fund from duplicate copies of receipt slips to deposits on a test check basis. We compared the totals of the disbursements of the Benevolences Fund to the various budgeted and non-budgeted causes with the breakdown of the recorded receipts for these causes and found that they were substantially correct.

In accordance with our agreement our examination did not include a test check of individual receipt slips of the Church and Manse Fund and the Contingent Fund to duplicate bank deposit slips and the books. We discontinued the comparison of individual amounts on duplicate deposit slips of Camp Debt Retirement Fund with credits entered on donor's pledge cards since the activity of this fund is diminishing.

MINUTES OF WILMINGTON PRESBYTERY

Only a limited number of receipt slips of the Benevolences Fund were traced to duplicate deposit slips and the books. Our test check of disbursements shown on the books to checks and invoices was also limited.

RECOMMENDATIONS

Reference is made to Note 2 on the accompanying statement of the Camp and Conference Center Debt Retirement Fund which refers to the fact that the mortgage on the camp property was paid off during the year. In order to pay off the mortgage it was necessary to use \$11,249.72 of Church Extension Fund and \$4,709.50 of Camp Management Fund monies. It is the intention of the Treasurer and also our recommendation that these monies be repaid by the Camp Debt Fund as monies become available. On December 31, 1968 there was a total of \$4,930.31 in savings of the Camp Debt Fund and we recommend that consideration be given to transferring this account to the two funds in payment of this obligation. On December 31, 1968 there was also a total of \$8,908.21 in outstanding pledges for camp debt retirement and it is our recommendation that continued effort be made to collect as many of these pledges as possible and that additional gifts be sought so that the funds of Church Extension and Camp Management may be replaced in full if possible.

In our report of the previous year it was recommended that the system of internal control for receipts from camp operations be improved by using pre-numbered slips for receipts, in duplicate. This system was implemented for the 1968 season and our test check revealed that it was operating very well. We also recommended that each church sending registrants for the summer camps program select one representative to collect all registrants from its members so that the camp manager may issue one receipt for the group thereby reducing the administrative work of his office. While some of the churches followed this procedure, others did not and it is suggested that the churches again be advised of this recommendation.

In prior years we have recommended that the camp manager be bonded to handle funds of up to \$15,000.00. We again recommend that this be done.

Reference is made to our Note on the accompanying statement for the Benevolences Fund which refers to the practice of many churches in sending the proceeds of special offerings direct to certain causes of Synod. These offerings should be remitted through Presbytery's office. This would enable Presbytery to show on its books and financial statements all funds given within its bounds to budgeted causes and to facilitate compliance with the accounting and reporting procedures for the allocation of gifts made to the whole budget as directed by the General Assembly. Therefore we repeat our recommendation made in our previous report that the treasurers of all churches be requested to remit all such offerings for both Synod and General Assembly causes through the Treasurer of Presbytery.

STATEMENT OF RECEIPTS AND DISBURSEMENTS

Year Ended December 31, 1968

Benevolences Fund

Note:

During the year, some churches disbursed certain offerings for Synod's budgeted causes direct to the causes without notification to Presbytery's office. These gifts totalled \$2,842.79 and are not included in the above Statement of Receipts and Disbursements since they were not actually received by Presbytery's treasurer.

However, these gifts were reported by Synod to Presbytery's treasurer each month and he, in turn, considered them in his allocation of disbursements so that the total amounts disbursed including these gifts

MINUTES OF WILMINGTON PRESBYTERY

would conform to Presbytery's budget for the year. The affect of these transactions is shown below:

| | Disbursements to Budgeted Causes Through Presbytery's Office | Direct from Churches to Synod | Total | Pct. to Total | Budget Pct. |

As can be seen from the above, the total disbursements including the direct gifts are in accordance with Presbytery's approved budget.

PRESBYTERIAN SURVEY REPORT

July 30, 1969

This report is from an editorial appearing in July-August issue of **Presbyterian Survey**.

After more than a year of study by the board, staff, and a special evaluating committee, a decision was made to make changes in the Survey. The combined July-August issue will be the last of its kind. Beginning in September, the Survey will be published twice monthly. In the future, Survey will be news-oriented with fewer pages and shorter stories. It will deal more with facts and less with opinion; it will report more on community level, church life, and do less reflecting on complex issues; controversy will be handled more in the cool context of responsible debate and forum and less frequently in editorials. Survey will continue to support the positions and programs of the General Assembly and its boards and agencies. From time to time it will include inserts of special interest materials from the boards and agencies.

MINUTES OF WILMINGTON PRESBYTERY

The new Survey will make a fresh approach to serve the whole church, employing new techniques in communicating the Good News of Jesus Christ for contemporary man. Implied in all that it shall say: the crucified risen Christ and man's need for his saving love and mercy.

Both the board and staff of the Survey feel that this communicating job for the church can be done in a way which will create a positive response in readers regardless of their theological or political convictions. Survey cannot be all things to all people. On the other hand, we are certain that essential truths can be translated to words in print in such fashion that very, very few readers will be alienated.

The cost of the Survey will be increased from \$1.00 to \$1.50 per family per year under the Every Family Plan.

Recommendations:

1. That Sessions inform their congregations of the changes to be made in the Survey.
2. That Sessions of Churches not now receiving the Survey consider enrolling their churches under the Every Member Family Plan.
3. That Survey Week be observed October 12-19 throughout our Presbytery.

Respectfully submitted,
JOHN R. DAIL, Chairman
